

NESCAFÉ
Milano

Joanne Ashworth
Pub owner, The Robin Hood, Manchester

“In 3 months, our sales have grown by 15%. New customers are coming in just for café-style drinks.”

The NESCAFÉ Milano machine has helped The Robin Hood pub to boost sales and attract new customers with a great-tasting range of café-style drinks – from regular coffee to frothy cappuccinos, lattes and hot chocolate. All without the need for fresh milk. NESCAFÉ has over 65 years' experience in researching, sourcing, roasting and tasting coffee, so you can be sure you're serving hot drinks your customers will love. Whatever your needs, we offer a range of solutions for pubs of all kinds.

The Milano advantage:

- NESCAFÉ is the UK's favourite coffee*
- Grow your daytime trade: sell more, better quality coffee at a higher price
- Eight drinks options, including a full menu of coffees, hot chocolate and hot water for tea
- Uses high-quality NESCAFÉ Milano coffee, NESTLÉ Premium Dairy Whitener and AERO Hot Chocolate
- One-stop source for branded equipment and accessories, first-class training and point-of-sale materials
- Dimensions: W34cm, H67cm, D53cm
