NESCAFÉ® GOLD BLEND®
 ■ 200 sticks per pack
 ■ Available in Decaff

NESCAFÉ® Cafe Style
 ■ 40 sachets per pack
 ■ Available in Latte, Cappuccino and Mocha

AERO® Hot Chocolate
 ■ 50 sachets per pack

Features

- The single serve format of stick packs ensures freshness, the perfect serving size and gives the opportunity to offer choice with minimal effort.
- The sachet is perfect for conference rooms and as a complimentary coffee in the accommodation sector.
- Ideal for all business types including pubs, restaurants, business & industry (meeting rooms), leisure, healthcare and hotels (bedrooms).
- NESCAFÉ® has a 60:40 preference over competitors in both its everyday coffee and the more premium GOLD BLEND® for those who desire a richer, smooth taste.
- NESCAFÉ® Cafe Style Instant range is perfect for those wanting to follow the trend and offer a café-style hot beverage menu.
- AERO® Hot Chocolate delivers a fantastic bubbly frothy chocolate experience with a great creamy texture and chocolatey taste.

Features

- All catering tins are quick and easy to serve and the re-sealable lid helps to keep the product fresh.
- Ideal for all business types including pubs, restaurants, business & industry, leisure, healthcare and hotels.
- NESCAFÉ® has a 60:40 preference over competitors in both its everyday coffee and the more premium GOLD BLEND® for those who desire a richer, smooth taste.
- NESCAFÉ® PARTNERS' BLEND® is sourced from countries where projects are underway to help these communities achieve social, economic and environmental sustainability.
- NESCAFÉ® Ultra Premiums have been created from 100% Arabica beans, carefully selected and roasted to perfection, to deliver a range of full-bodied coffees with an intense aroma to awaken your senses.
- AERO® Hot Chocolate was winner of 2008 product of the year, delivering a fantastic bubbly frothy chocolate experience with a great creamy texture and chocolatey taste. The Instant variant is quick and easy to prepare with no equipment or staff training, whilst Add Hot Milk needs a little more preparation.
- NESCAFÉ® Cafe Style Instant range is perfect for those wanting to follow the trend and offer a café-style hot beverage menu.
