NESTLÉ® Roma™
100% Sustainably Certified Beans

NESTLÉ® Roma™ - made with sustainably farmed coffee beans. NESTLÉ® Roma™ coffee includes beans from Rainforest Alliance Certified™ farms. The Rainforest Alliance Certified seal means that independent auditors ensure farmers follow sound agricultural practices that protect forests, rivers, soils and wildlife, while being good community neighbours. Rainforest Alliance certification also ensures that workers have just wages and dignified living conditions. Their children have access to education and they and their families have health care available. For more information please visit www.rainforest-alliance.org

NESTLÉ® Roma™
100% Sustainably Certified Beans

UTZ CERTIFIED farmers supply the other 40% of the beans. Their compliance with the internationally recognized UTZ CERTIFIED Code of Conduct is checked yearly by external auditors. UTZ CERTIFIED producers receive extensive training on good agricultural and business practices. As a result they reduce costs and increase yields. Producers also take responsibility for the environment and the communities involved. See also www.utzcertified.org
